A Letter From EXECUTIVE DIRECTOR ALAN PETERS & BOARD CHAIR MITCH PETERSON

Dear Friends,

We are pleased to share this report of Can Do Canines' accomplishments during 2019. Throughout these pages you'll see our mission come to life through the stories and words of our graduates. You'll witness the many people who have helped make Can Do Canines possible. And we hope you'll be inspired to continue your support.

We celebrated our 30th anniversary during 2019! Thirty years of service to the community is a significant accomplishment. An anniversary video and special logo were created and shared at events and in publications throughout the year. Our 30th Anniversary Gala was made extra special by inviting two-time Emmy award winner Louie Anderson to entertain us. And enclosed with this report is the final part of the celebration: our booklet celebrating highlights of those 30 years.

Most importantly, we celebrated our mission through action. With the help of donors, volunteers, graduates, inmate handlers, and staff, we certified 51 assistance dog teams during 2019—an 11% increase over 2018 and a new record for the organization. We're proud of Can Do Canines and we hope you are too.

While we celebrate our accomplishments, we must continue to do all we can to shorten our waiting list. The need for assistance dogs is great, so we are striving towards our vision of making sure every person who needs and wants an assistance dog can have one.

We approach 2020 with a great deal of enthusiasm for the opportunities before us and we welcome you to join us on this journey. Your involvement with Can Do Canines gives life to our mission and meaning to our work.

With the support of the community, we have improved the quality of life for hundreds of people with disabilities. We look forward to continuing this important work and thank you for all the ways you contribute.

A Diabetes Assist Dog dog was selected for the Minnesota Veterinary Association Animal Hall of Fame, and AI received the Lasallian Service Award from Saint Mary's University.

Our 700th Team Strikes the Perfect Balance

Hearing 12-year-old Aidan speak, you'd never guess he is only in the sixth grade. He is thoughtful, articulate and unusually self-possessed for a middle schooler. Yet these aren't the only qualities that make this kid unique. He also happens to suffer from a rare form of muscular dystrophy called Charcot-Marie-Tooth (CMT), and the even rarer subset of the disorder, Type 4-C.

That means doing simple things that most people take for granted are extremely difficult and potentially dangerous for Aidan. That's where Mobility Assist Dog Abbot comes in. Living with Abbot has helped Aidan tremendously--especially when it comes to his balance.

I knew a dog would be able to help Aidan," says Aidan's mom, Adrienne. "I wasn't sure everything they would be able to do, though. The depth and breadth of Abbot's skills are amazing and far surpassed my expectations. He is so smart."

Aidan and his Mobility Assist Dog, Abbot, are the 700th team brought together through Can Do Canines—a huge milestone, not only for Aidan and Abbot, but for our 30-year-old organization.

Can Do Canines assistance dogs are defined by the type of assistance work they perform for their handler. Can Do Canines trains in five areas:

Mobility

Mobility Assist Dogs work with people who have mobility challenges and other needs. They pick up and carry objects, pull wheelchairs, open doors, and help pay at tall counters.

Hearing

Hearing Assist Dogs alert a person who is deaf or hard of hearing to sounds by making physical contact with them and leading them to the source of the sound.

Diabetes

Diabetes Assist Dogs detect low blood sugar levels by sensing a change in their partner's breath odor. The dog alerts their partner by making physical contact.

Autism

Autism Assist Dogs keep children with autism safe in public settings and help them experience the world more fully by offering comfort and assurance. These special dogs also serve as a social bridge between the family and the public.

Seizure

Seizure Assist Dogs respond to a person having a seizure by licking their face, retrieving an emergency phone, and alerting other family members.

PART OF THE PACK

Can Do Canines relies on volunteers to help make our mission a reality. Every single volunteer makes a difference, whether they're a Puppy Raiser, an office volunteer, or an event volunteer—they all help to change lives.

Some volunteer needs are greater than others. Our most in-demand volunteer positions are below.

Puppy Raiser

Take a future assistance dog into your home for 12-18 months. Work with the puppy on basic obedience and socialization. Attend at least one Can Do Canines training or outing each month and take the puppy out in public during the week.

Prison Foster

Help provide important socialization for our puppies raised in prison by bringing them into your home on weekends. Practice house manners, go on walks in your neighborhood, and socialize them to things the puppy does not experience in prison.

Event Help

Whether greeting guests, running a game, or helping with set up and tear down, we couldn't do it without our fantastic event crew. We host three major fundraisers a year and three team graduations. Consider joining our event team!

Volunteers are a vital asset to completing our mission at Can Do Canines. Their commitment, talent, and passion are unparalleled. Thank you all for sharing your time and enthusiasm with us! Puppy Program Volunteers are noted with a 🐾 beside their name. These outstanding individuals help in a variety of ways: Breeder Hosts, Whelping Homes, Great Start Homes, Short and Long-Term Fosters, Prison Fosters, and Puppy Raisers. Each play an integral part in the success of our assistance dogs.

Legacy Club

The Legacy Club honors two groups of generous individuals: those who, while living, inform Can Do Canines of their intentions to include us in their will or planned giving device, and those who have passed on (indicated with a D) and already made bequests to further our work. We are grateful for their faith in Can Do Canines.
