

# The process is as easy as...

## 1 Select a plaque size

There are three plaque sizes to choose from, ranging from \$150, \$300 or \$500, depending on the size selected. Once you know which plaque you would like, use the attached reply card to provide us with your contact information and method of payment. Your gift is fully tax-deductible as permitted by law.

## 2 Submit your message & image

Once we receive your payment, our marketing and communication team will contact you to begin designing your plaque. They will need any images you would like on your plaque, along with the specific words you would like to include.

## 3 Review plaque draft

A PDF preview of your plaque will be shared with you for approval prior to having it printed. Once your plaque is completed and displayed on our Wall of Honor, you will receive a call or email to let you know.
