NAME-A-PUPPY

HOW IT WORKS

As a group, you work together to fundraise to Name a Puppy in our training program. Your fundraising efforts can be a single day event or a month-long campaign. 100% of the money raised will be applied directly to the costs associated with the training of a puppy. Food, equipment, medical care and, of course, treats are all items associated with training.

WHAT YOU GET

- You get to name a puppy!
- A photograph of the puppy in their training cape.
- Puppy progress reports twice a year to let you know how your little guy or girl is doing until they graduate from Can Do Canines.
- Acknowledgment in our annual report and we can bring a Can Do Canines presentation to you.
- The satisfaction of knowing you helped provide an assistance dog to a person in need.

Your contribution is tax-deductible to the extent allowed by law.

HEAR FROM A PAST PARTICIPANT

“When our fifth graders found out that we would be raising money for Can Do Canines, they became very passionate about the organization. We showed them videos from the Can Do Canines YouTube channel each day, which really illustrated the mission and purpose behind their fundraising efforts. Our students were amazed at the tasks the dogs can do and how much assistance they provide. Those testimonies drove our students to reach (and surpass) their fundraising goal so that we could “Name a Puppy.” Everyone was thrilled and immensely proud to raise enough money for Bailey.”
